Drivers advised to slow down

Richland, Wash.: Most streets and highways in the Tri-Cities are extremely slick this morning. There are multiple accidents on Highway 240 between Columbia Center Boulevard and I-182, along with numerous accidents on Interstate 82 south of the Tri-Cities. If at all possible, residents should keep off roadways until conditions improve later this morning.

If you must travel, please drive with extreme caution making sure to slow down and keep plenty of stopping distance between you and the car in front of you.
